

Human by THE KILLERS (G)

I did my best to notice, when the call came down the line
Up to the platform of surrender, I was brought but I was kind
And sometimes I get nervous, when I see an open door
Close your eyes, clear your heart

Cut the cord, are we human or are we dancer
My sign is vital, my hands are cold
And I'm on my knees, looking for the answer
Are we human, or are we dancer

Pay my respects to grace and virtue, send my condolences to good
Give my regards to soul and romance, they always did the best they could
And so long to devotion, you taught me everything I know
Wave good bye, wish me well

You gotta let me go, are we human or are we dancer
My sign is vital, my hands are cold
And I'm on my knees, looking for the answer
Are we human or are we dancer

Will your system be all right, when you dream of home tonight
There is no message we're receiving, let me know is your heart still beating
Are we human, or are we dancer
My sign is vital, my hands are cold
And I'm on my knees, looking for the answer...

You've gotta let me know, are we human or are we dancer
My sign is vital, my hands are cold
And I'm on my knees, looking for the answer
Are we human, or are we dancer

Are we human or are we dancer, are we human or are we dancer
