

# The Fear by Lily Allen

F                      F/A                      B<sup>b</sup>  
I want to be rich and I want lots of money  
   B<sup>bm</sup>                      F  
I don't care about clever I don't care about funny  
   F/A                      B<sup>b</sup>  
I want loads of clothes and shed loads of diamonds  
   B<sup>bm</sup>                      F  
I heard people die while they are trying to find them

I'll take my clothes off and it will be shameless  
'Cuz everyone knows that's how you get famous  
I'll look at the sun and I'll look in the mirror  
I'm on the right track yeah I'm on to a winner

F                      Dm                      Am  
I don't know what's right and what's real anymore  
F                      Dm                      Eb  
I don't know how I'm meant to feel anymore  
F                      Dm                      Am  
When we think it will all become clear  
F                      Dm                      Eb  
'Cuz I'm being taken over by The Fear

Life's about film stars and less about mothers  
It's all about fast cars and passing each other  
But it doesn't matter cause I'm packing plastic  
and that's what makes my life so blooming fantastic

And I am a weapon of massive consumption  
and its not my fault it's how I'm program to function  
I'll look at the sun and I'll look in the mirror  
I'm on the right track yeah I'm on to a winner

Chorus

Forget about guns and forget ammunition  
Cause I'm killing them all on my own little mission  
Now I'm not a saint but I'm not a sinner  
Now everything is cool as long as I'm getting thinner

Chorus
